

Hens for Haiti - Recent Highlights

POULAYE

Fall 2016

By: Christina Lamour

Ask and You Shall Receive

This past spring, Hens for Haiti announced the desire to diversify membership in its Board of Directors and received encouraging interest from several individuals. One person in particular caught the eye of the recruiting team as an individual with extensive experience, strong ties to Haiti, and a reliable partner with Hens for Haiti.

Dan Tootle joined the Hens for Haiti team this summer as the newest member of the Board of Directors and specifically, the organization's liaison with projects in the northern part of the country. Dan is a retired professional with an impressive 29 years of experience in the military service and corporate sectors. He continues service to his community through his Episcopal Church parish and as President of Board of Directors at a local community center.

Dan's involvement in Haiti also started in retirement when he was assigned as an Episcopal Church missionary and program manager for the revitalization of the Centre d'Agriculture Saint Barnabas in the town of Terrier Rouge on the northeast coast of Haiti. ([Project Information](#)) Dan's program management experience and knowledge of the agriculture arena in northern Haiti will prove a great asset on the Hens for Haiti Board of Directors. As a member, Dan hopes to expand his work in Haitian agriculture development activities in the area of poultry husbandry. Dan is also blessed with a loving wife, two sons, and three grandchildren.

Hens for Haiti is excited to welcome Dan as part of the team and looks forward to strengthening partnerships with projects in northern Haiti with this new addition.

WE STILL NEED YOU!

Hens for Haiti is seeking at least one additional board member, specifically to fill the role of **Treasurer** within the organization. If you want to be part of a passionate team, contact Christie at hensforhaiti@gmail.com for more information on Board member expectations, roles, and responsibilities!
